

Welcome to Financial Freedom International, Inc!

Attached is your personalized Preliminary PayAccel Strategy. This is a snapshot of what our programs can do for you based on the information you provided us on your current situation.

Once we receive your signed Preliminary PayAccel Strategy, we will begin a more in-depth review of your plan. If you indicated on your application that you are interested in trying to refinance, or looking to buy a home in the future, either for yourself, or as an investment, your file will be reviewed for eligibility at that time. It will then be incorporated into your Final PayAccel Strategy.

We at Financial Freedom International, Inc. are excited that you are taking the first steps toward your own financial freedom, and look forward to working alongside you as you make your way toward that goal.

In the meantime, please feel free to check us out at www.payaccel.com and www.financialfree.com. You may also want to look us up on the Better Business Bureau website, www.utah.bbb.org. We can be found under the name Financial Freedom International, Inc., headquartered in Orem, UT.

Thank you,

Financial Freedom International, Inc.

PayAccel Plus Preliminary Strategy

Financial Freedom International, Inc.

Actual Client
1111 Actual St.
Jacksonville, FL 11111

You have before you an opportunity to take the first steps toward an outstanding financial future. This summary demonstrates how.

Interest and Time Saving Benefits:

If you keep doing exactly what you have been doing, it will take you 19.1 years to pay off all your debts – paying a total of \$331,897.79 in principal and interest.

By activating your personalized PayAccel strategy, you will be debt free in 8.1 years rather than 19.1 years and you will save \$91,788.64 in interest.

Your PayAccel strategy savings \$91,788.64.
Minus the administrative, coaching and fulfillment cost \$6,500.00.
Equals your total interest savings \$85,288.64.

Every month you delay beginning your strategy, it will cost you \$650.98.

The advanced financial accounting and control system included in our PayAccel strategies are proprietary and superior to those sold by top quality financial consulting organizations:

- A private personal financial coach
- The finest financial educational system available
- Safe and Secure TPA Services that automate your strategy

General Information:

Interest savings and debt free dates presented in this preliminary summary are based on the accuracy of the information provided in your PayAccel Profile. Results may vary depending on changes to your financial situation, market changes, and your commitment and implementation of your strategy.

Next Steps:

If you feel that this preliminary strategy meets your objectives, the next step is to finalize and create your complete PayAccel strategy. This complete strategy will include a lenders review to determine if restructuring your existing mortgage would enhance your original strategy. In order to complete this strategy, simply sign or type your name below and provide us the additional information and/or clarification listed on the attached PayAccel Checklist.

Please proceed with my complete strategy, signed: _____

PayAccel Plus Strategy Checklist

Financial Freedom International, Inc.

Please return this checklist, along with the signed preliminary strategy to:

Elizabeth Stanton

Please let us know the following information:

I have estimated some of the interest rates for liabilities where the APR was not listed. For a more accurate calculation I will need balance, interest and minimum monthly payment information for all liabilities to be included in the program.
